

The 2022 Fall Season of Miracle League Baseball season will begin on September 17, 2022! Our mission continues: *“To create positive life experiences for individuals with special needs and different abilities through the game of baseball.”*

Player registration opens on **July 1, 2022** and will close on **August 12, 2022**. All players must register on-line at [www.miracleleaguelouisville.org](http://www.miracleleaguelouisville.org).

Fee for the league players is \$45. Each player will receive a Major League replica team shirt, hat and team photo.

The league is open to male and female players ages 5 and up. Players of all abilities are welcome and encouraged to play in the Miracle League.

A meeting for all new participants (coaches, players, parents and volunteers) will be held on **Saturday, August 27, 2022 @ 11:00 a.m.** at Fern Creek Christian Church, 9419 Seatonville Road, Louisville, KY 40291. This meeting is optional for returning participants from the previous season.

#### **VOLUNTEERS:**

- Volunteers are needed and appreciated! The Miracle League will be doing its best to provide community volunteer “Buddies” for the fall season. We anticipate that there will be several high school baseball teams that will come each Saturday to participate on the field with the Miracle League players. Family members should still sign up to be their players Buddy just in case there will not be enough high school teams to participate. Any and all volunteers are welcome to register!
- All Buddies and volunteers should register to “Become a Volunteer” on the Miracle League of Louisville website at [www.miracleleaguelouisville.org](http://www.miracleleaguelouisville.org).

#### **GAME DAY AT A GLANCE:**

- All coaches, players and Buddy’s MUST report to the check in table before each game for attendance.
- If possible, players should provide their own equipment (bat and glove), if possible. Batting helmets are optional and would also be the responsibility of each player to provide, if desired. The Miracle League does have a number of baseball bats available for use by all players.
- Participants should bring their own filled water bottles. No water coolers will be provided in the dugout.

#### **SCHEDULE AT A GLANCE:**

- There will be six (6) scheduled games beginning on September 17, 2022 and ending on October 22, 2022. The number of registered players will determine the final number of teams, the schedule and game day decisions.
